- Lot 9** **Colombia** - An interesting and almost certainly unique item. This is the 1947 Red Cross Fund obligatory tax design. This is a large hand - painted and highly detailed 'PROOF' on card in red and pink. This is quite large (241mm x 187mm) and is almost identical to the issued design (SG671). Minor imperfections and mostly on reverse where the item had previously been stuck to an album page, which is still attached. Still a very striking item and an important work of art on the Red cross theme. **£100**
- Lot 10** **East Germany** - An unusual and elusive item, namely a Cold War Forgery which consists of 1953 20pf Five Year Plan Propaganda Forgery with the legend at top reading "Elster Bad Werkbonzen" (Elster Spa of the "Fat Cats") in a complete sheet of 32 in fine unmounted mint condition. This scarce item catalogues at 11,200DM (£2,800), offered on the original Stanley Gibbons stock card when originally purchased, when it was priced at £2,250 and which must have been several years ago as the telephone number starts 0171! **£295**

We count 266 stamps which catalogue in excess of £2,600, with the condition being well above average, including many fine examples. A few minor imperfections which are reflected in the price. **£280**

LOT	DESCRIPTION	PRICE
Lot 12	Libya - SG690/94 1976 Birds issue very attractive thematic in complete sheets of 25 stamps, fully gummed, but IMPERFORATE and scarce thus and unlisted in SG. Normal set perforated cats £9+ and these are undoubtedly much scarcer. Truly spectacular item for the Bird thematic collector.	£200
Lot 13	Nauru - George V 1916 issue with basic set mint plus shade of the 1d value and two x 2d Orange (we assume both types), total cat £176.	£85
Lot 14	New Zealand Advertising Underprints - 24 examples of the underprints on Queen Victoria stamps including 5 se-tenant pairs. It is interesting to note from the pairs, the way in which adverts could be vertical or horizontal on the stamp depending on the design, even adjacent pairs do not have the stamps aligned in the same way on every occasion. Not checked by us we have assumed these to be on SG218 (perf 10) being the cheapest possible option. Quite a range of advertisers and also some variations in the colour of the underprints. Nice lot for expansion and research. Good lot of these seldom offered in quantity.	£100
Lot 15	Panama - Something unusual, specifically varieties for SG488/9 1949 Obligatory Tax Cancer Research Fund errors. Includes the 1c on 5c black & scarlet with an 'inverted surcharge' an unlisted 'doubled surcharge', a marginal single with misplaced surcharge and a marginal pair with a misplaced surcharge, one being partially omitted. Then we have the 1c on 10c yellow orange this with an unlisted 'inverted surcharge' and a marginal pair showing a 'surcharge omitted' copy in pair with normal and very nice as such. A most unusual lot to add some spice to a Panama or South American collection. Any collector of health related material will also find these of interest. Condition is very nice throughout.	£125
Lot 16	Reunion - A bulk offer from the French colony of Reunion in complete sheets of either 25 or 50 stamps as issued, each sheet is folded just once. All these stamps were issued between 1968 and 1974 and all are unmounted mint. The lot comprises 1968 Polar (SG452 sheet of 25), 1972 Red Cross (SG485/6 sheets of 50), 1973 Stamp Day (SG487 sheet of 50) and 1974 Art (SG496/9 in sheets of 25). In all a fine fresh lot that catalogues in excess of £750+.	£115
Lot 17	Rhodesia - A small lot of modestly duplicated King George V Double Head stamps. It comprises stamps with face values of 8d (2 examples), 10d (1 stamp) and 1/- (16 copies). Nice lot with plenty of readable cancels and for the 1/- value particularly a range of shades that are obviously different. The basic catalogue value as cheapest options is £625+ and a nice lot to remount and write up in a collection.	£145
Lot 18	South Australia - A small remaindered lot on half a dozen album pages. There are 38 stamps in total of which 24 are mint / unused. Although this collection has been picked over, interesting bits remain. We note a ½d chocolate stated to be SG182 (not checked) but overprinted 'SPECIMEN' and unlisted as such in the Part 1 catalogue, although the other contemporary values are. Shades of SG192 and two copies of the 4d violet one with a white line across neck probably due to unwanted foreign matter on the printing plate. Long Tom designs well represented with 'Thick Postage' types and a copy of SG293 ½d green mint with a clear 'extra line' horizontally marked with a red arricator. Clean lot with shade and perforation variants.	£90
Lot 19	Syria - A scarce item. Three blocks / sheetlets issued in 1942, these are imperforate 'Air' issues in denominations of 6p, 10p and 15p. Unlisted in the Stanley Gibbons catalogue but fully referenced in the French Ceres catalogues where these were valued at 1,750 euros three years ago. Very difficult to find unmounted mint as issued and a rare opportunity.	£520
Lot 20	Thailand - A most unusual and potentially unique item. This is a card bearing PHOTOGRAPHIC ESSAYS for the 1967 Fishes issue in four designs, that are very close to the issued designs (they have just slightly altered marginal inscriptions). The issued stamps are SG557/60, all four essays have been mounted on the same piece of quite thick card, which bears the endorsement 'NOT FOR REPRODUCTION'. A few minor surface scuffs but attractive and possibly the only one of its kind. Nice item for any 'fish' thematic collector or for someone with an interest in the stamps of Thailand. Rare opportunity for something very different.	£300
Lot 21	Tuvalu - An unmounted mint selection of sets and miniature sheets from 1983 to 2005, all presented on six Hagner sheets. Many ordinary sets plus a few of the same sets overprinted "Specimen", with some better sets noted including 1991 Sea Shells, 1991 Christmas, 1992 Olympic Games and then further on 2005 Einstein and Hans Christian Andersen, both in miniature sheets. This is a lovely lot which would fill many gaps in any collection. We counted 2 booklets, 23 miniature sheets and 180 stamps. Our total original selling prices : were £350+.	£80
Lot 22	West Germany - 1985 to 1996 unmounted mint commemorative collection housed in a red A4 stock book including both stamps and with a range of miniature sheets also. Many colourful thematics are present such as Bugs, Butterflies etc. and it appears fairly complete for the dates covered. Catalogue value in excess of £1,300 and a nice clean lot.	£150
Lot 23	West Germany - A clean collection in blue hinge-less printed Lindner album. 1949-62 are mainly fine cds used and 1963-72 mainly fine u/m sets. Includes many earlier relief fund sets etc. 99% complete for period covered and Cat £2,560+.	£260
Lot 24	World - A mainly modern items but some earlier stamps have been noted! It's a large selection of countries across the globe from A-Z, housed in a brown 16 page (32 sides) stock book. A few used earlier issues from Queen Victoria has been noted, but the majority are modern unmounted mint to approximately year 2000. This lot primarily derives from unsold lots in this catalogue, although not entirely. We note countries such as Ascension Islands, Australia, Cook Islands, Jamaica including some KGVI used, New Zealand Booklets, South Pacific, Tanzania with values to 400/-, Tokelau, Tonga, Turks & Caicos Islands, United Nations, USA, Yemen, Yugoslavia, Zaire and Zambia etc. There are scores of sets plus many miniature sheets with many complete sets. Much thematic content too with Marine Life, Animals, Butterflies, Royalty, Disney and lots more. This lot was originally priced individually to sell at £2,685 (catalogued much higher) , and now at a knock down clearance price.	£460
Lot 25	World but mainly European - A selection of modern stamps, starting from 1960 up to circa 2008 all laid out in a 16 page stock book, almost everything is clean unmounted mint with just a handful of very few fine used noted. Countries including Aland 1984-2008, Albania including 1967 Roe deer and winter sports, 1999 Europa, 2004 Football, 2007 Europa, Algeria, Angola, Aruba, Austria, Belgium, Benin, Bosnia, Bulgaria, Brazil, extensive Cambodia 1957-1994 with better sets, Germany 1972-2003, W. Berlin, extensive with many sets and miniature sheets from 1984-2007, finishing off with some useful Monaco. This material had been originally priced to sell at £3,619 , we offer this at a heavily reduced price.	£695
